

OFFICIAL EGG HUNT MAP

AT COMMELLINI ESTATE

How to Hunt

1. Remain in your Vehicle! We assure you all eggs are viewable from inside your car.
2. Count the eggs & Keep your eyes peeled! Just because the eggs are viewable from inside your car doesn't mean they will be easy to find.
3. Work as a team, you are only allowed one guess per vehicle.
4. **TAKE** A Photo at the Estate!
5. Don't forget to look for the GOLDEN egg!

How to Submit

1. Post the Photo you took at the Estate on Facebook or Instagram
Any picture from your hunt will do, but a photo at the Estate is required to verify that you actually did the "hunt" and did not just make a guess online. Unfortunately without this photo, we will not be able to accept your guess.
2. Put your Egg Count Guess in the comment of your photo.
Those expert hunters who find and count the number of eggs closest to the actual total hidden (and we are able to verify their guess) will be entered to win a series of prizes. If multiple hunters submit the exact number of eggs or the same guess, each name will be drawn from a hat at random to determine the official winner of the prizes.
3. Be sure to use the hashtag: #DriveThruEaster2021
The hashtag is how we are able to view, record, & verify your guess. Without this hashtag we will be unable to locate your post. Unfortunately searchable hashtags are not compatible with Instagram stories. Therefore stories are invalid for submission.
4. Be sure your post is set to "public"
Due to a variety of settings on your individual account, if the post is not set to "public," we will be unable to view your guess. Only guesses we can see/verify will count. Post must be viewable on 4/5/21, any setting changes after that point in time will be too late and invalid.

For additional contest rules please see the event website.

Reminders:

1. **REMAIN** in your vehicle at ALL times.
If you get out of your vehicle to hunt for eggs, your guess will NOT count toward the prizes and you will be asked to leave immediately.
2. **Keep a 5 mph pace (No more, no less).**
Please be considerate of all drivers. If there is a car behind you be sure to KEEP moving at 5 mph pace. If you feel you need to go through again to double check your egg counts, that is okay. However, do NOT stop if there is a vehicle behind you. If there are no vehicles behind you, feel free to take your time.
3. Take a photo & use the hashtag! #DriveThruEaster2021
